Who are we?

The Philip Simmons GameDay Club is composed of parents, students, staff, community members and other Philip Simmons fans who provide volunteer and financial support for all athletic programs at Philip Simmons High School. We work together with the school to ensure that the needs of the athletic programs are met while instilling high moral character and academic excellence in our athletes. Simply put, if we are doing our job well, you may never notice us.

Why join?

As a member of the GameDay Club, not only will you enjoy some great benefits (such as eligibility for your Senior to apply for the GameDay Club Scholarship), but you'll have a strong sense of pride that everything you contribute and do is helping to better support our athletic programs and coaches which, in turn, benefits all student athletes and the community we serve.
